

Deejay Timal is a french Dj who started his career back in 2003 in Strasbourg, France
Greatly appreciated by the german public, in many cities like Freiburg, Karlsruhe, Kehl or Baden, he won a real place in the Strasbourg clubs as well.

He was noticed by notorious german and swiss party planners, who trusted him to host and mix in the biggest Urban & Hip hop Clubs.

Throughout the years, he managed to own a sit at the table of the clubs in Strasbourg and around. With this reputation, he was able to reach new destinations, such as Toulouse, Nice, Paris, Lille and Lyon in France but also Casablanca and Montreal abroad.

Recently he was the opening act of many artists such as French Montana, Ace Hood, Tyga, Fatman Scoop, Booba, Omarion, Jeremih, Redman, Sean Paul, T-Pain, DJ Cut Killer, and Ice Cube !

Deejay Timal owns an eclectic repertoire, specialized in urban, tropical and black music.

Thanks to his ability to please everyone, numerous big brand such as Converse, Gaastra Galeries Lafayette of Mercedes (for the launch of the GLA) requested him to mix in their events.

He is currently working with more than ten party planners, artists and event planners.

Radio host of the Nolimit Show on RBS Radio in Strasbourg, this activity taught him over the years to combine the mix and the great ease with the microphone.

Founder of the VLD Records Label, he will keep on surprising you with his many projects !
